Dear Mr Oberggaard,

31. P. 56

Yes I well received your sending february
with postal stationery and the listing of new
issues of your country - We are intended to
publish your list in our paper, but we have not
yet opportunity to do it - I thank you very
much for this list and ask you to excuse me
for so long delay to answer - I regret very much
your health is not so good and you must live
long away from your home - I hope you will
be in good health very soon - May I send you
to Roskilde the new issues of Belgium?

Yours very sincerely

Oberg. Weing
